## **Indoor LED Lamp: Tube Lamp TL**

- High efficiency LED Lamp
- 12V/24V DC LED driver
- Over temperature protection dimming
- LED life time >36,000 h
- Anodized AL tube with integrated reflector

TL series lamps are high lumen output, long life, reliable tube LED lamps for indoor lighting applications. Due to their advanced and unique over temperature protection, TL series lamps can withstand extreme conditions. Using high frequency switching LED driver technology, Zimpertec lamps provide excellent performance in light efficiency, lifetime and reliability.
